VOLUME 52; NO. 18

DIDSBURY, ALBERTA, WEDNESDAY, SEPT. 30, 1953

\$2.50 a Year; 6c a Copy

The Duke of Kent is kitted out by Regimental Quartermaster Sergeant A. O. Burton at the Royal Military Academy, Sandhurst, England, on his first day of duty in the

British Army. The Duke joined the army as a private on a regular engagement as opposed to a short conscription period.

## M.V.B.C. NEWS

Mr. and Mrs. Lusk have arrived here and are busily engaged in school work — even now. Besides getting settled in their apartment on the grounds, they have been on College deputation work on various fields of the United Missionary Conference. Mr. Lusk has been singing a great deal these days, and he and Mrs. Lusk also sing duets. Rev. Taylor, Mr. Waldin and Miss Eby have been scheduled to speak in the churches and accompany the Lusks to different places. They will be in Edmonton on October 3 and in Calgary on October 4 and 5. Watch for the Didsbury announcement.

Miss Lois Schlitt, Reg.N., well known in Didsbury, is nearing the shores of India now. She will be doing medical work there under the United Missionary Board of Missions.

The dining room has been redecorated for the winter. This is a yearly performance on the part of those who care for the building, for this room is used a great deal both winter and summer. During the summer months several wedding receptions have been held there, showers and various church or organization meetings are held here during the year also. We appreciate being able to serve in this way. It will soon be time for the gathering of vegetables for the winter, each year friends in this and other communities have brought to us such produce as they felt they could spare. We have appreciated this again through the years, and we know this year will be no exception.

Arthur Eby and family are now established in their home just east of the College. We miss the association on the campus but it is necessary also that each faculty and staff member should be settled in their home before classes begin. Students will soon be coming to us from Idaho, Washington, Saskatchewan, British Columbia and our own province. We will be most happy to have them here.

## ANGLICAN W.A. ENTERTAIN DEPARTING MINISTER

The Women's Auxiliary of the Anglican Church entertained the congregation at the home of Mr. and Mrs. Roger Barrett on Sunday afternoon, to bid farewell to Rev. and Mrs. Sheppard who are leaving for Fort St. John, B.C.

On behalf of the W.A. Mrs. J. M. Freeman, the president, expressed regrets on their departure, wished them well in their new home, and presented them with a woolen bed throw.

Mrs. Sheppard has acted as honorary president of the Cyprian's W.A. for several years.

## Art Exhibit To Feature Legion Tea I.O.D.E. To Hold Tag Day For Blind

Following the trend of last year, the Canadian Legion Auxiliary will hold an art exhibit in conjunction with its annual tea in the Lions Hall on Saturday, Oct. 3. This year's exhibit will be larger than last year's with some outside artists exhibiting. There will be 35 to 40 pictures in pastel, oils and pen and ink, and among exhibitors will be Mrs. C. Rinehart and Mrs. Joyce Mullen of Didsbury, Mrs. S. W. Miller and Mrs. Bertha Ady of Oids and Mrs. Jessie Alfke of Peace River.

Featured this year will be several oil paintings by Mr. J. Parrish of Salt Lake City. The auxiliary will again raffie a picture which has been donated to them, to raise funds for their organization.

## Westcott News

Cutting of the crop in this area is completed except for an odd field, and some combining has been done, but all is at a standstill at present waiting for the swaths to dry out again after the showers which have plagued the area. The first frost of the season was experienced here last week and gardeners took on a fall hue, all to remind us of the fact that winter is not far away.

Miss Shirley Krueger of Carstairs was a dinner guest at the Herbert Goetjen home on Sunday. Mrs. Violet Koochin and her daughter, Mrs. Paul Decateau and baby son of Calgary, were weekend visitors with Mrs. Sanderson at the Charles Brown home.

Miss Elaine Goetjen and Mr. Ken Card of Calgary spent Sunday afternoon at the home of the former's parents.

## ZELLA NEWS NOTES

Fifteen members and two visitors were present for the September meeting of the Zella Women's Institute, held at the home of Mrs. Dick Nielsen last Thursday.

Roll call was surplus vegetables to be delivered to the Woods Christian Home.

The remnants, yard goods and pillow tubing arrived and was distributed to be made up into bazaar articles. The bazaar date has been set for Friday, Nov. 20, at which time it is hoped to have Mr. Bell present to show films.

Mrs. John Hansen read a couple of humorous ditties for the bit of fun.

Mrs. Joe White will be the next hostess, October 15 at the home of Mrs. Jim Johnston.

## WESTERDALE NEWS

Mr. and Mrs. H. Farrant of Rosedale, B.C., who had been visiting at the home of Mr. and Mrs. H. Jackson for the past few weeks, left on Wednesday for Calgary where they planned to visit for a few days with their son Ken before continuing on their homeward journey.

Mrs. A. Jones and son Charles motored to Trochu on Thursday, where they spent an overnight visit at the home of Mr. and Mrs. A. Koeh.

Mr. and Mrs. Ben Kershaw took their daughter, Greta, to Hanna recently, where she will continue her nursing aide course. Mr. R. Jackson accompanied them on the trip.

Cutting operations are now completed and threshing will be in full swing by next week if weather permits.

From October 9th to 10th Monday Chapter of the I.O.D.E. will conduct a canvass in Didsbury for the Canadian National Institute for the Blind. There are an estimated 500 blind in the area covered by the provincial canvass.

Some of the major services offered the blind by the C.N.I.B. are a library, located at Toronto, through which Braille and recorded books may be borrowed; social services and home teaching; training and placement of blind workers; field services and the opportunity to live in institute residences and take part in recreational programs; working with pre-school blind children to adapt them to their handicap, and assisting and guiding the parents of these children when needed.

The campaign has the approval of the provincial department of health and welfare under the public contributions Act and will wind up here on Saturday, October 10, with a tag day.

## MOUNTAIN VIEW

Mr. and Mrs. Stewart Tighe and boys visited Friday evening with Mr. and Mrs. Lawrence Hunter.

Mr. and Mrs. Dave Yellowlees of Acme had as their visitor for the past two weeks their little granddaughter, Margaret McNaughton.

Mr. and Mrs. David Pratt and Norman visited Friday in Calgary, the latter having his regular check-up at the Junior Red Cross hospital.

Mrs. Howard Kent and children of Calgary visited from Wednesday to Sunday of last week with her sister, Mrs. Walter Pratt and family.

The next Mountain View W.I. meeting will be at the home of Mrs. Lawrence Hunter on Thursday, October 15.

Mr. and Mrs. Thomas McCaig and Mrs. MacFrazier and Kenneth were Sunday afternoon & supper guests with Mr. and Mrs. Grenville McCaig and girls.

Mr. and Mrs. Harold Shultz and family were Sunday afternoon and supper visitors with Mrs. O. C. Christensen of Acme.

## KNOX EVENING GROUP PLAN CHICKEN SUPPER

The evening group of Knox United Church met at the home of Mrs. S. Devine on Monday evening with 22 members and five visitors present.

Devotional was taken by Mrs. T. Morris and citizenship by Mrs. C. C. Armstrong.

Plans were made for the fall chicken dinner, to be held October 17 in the church basement. The ladies are hoping for a good turnout as all proceeds will go toward the organ fund.

## BIRTHS AT DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. Alfred Cook of Didsbury, on September 23, a daughter.

To Mr. and Mrs. O. Skaar of Didsbury, on September 24, a son.

To Mr. and Mrs. H. Pederson of Carstairs, on September 27, a son.

Miss Phyllis Clarke, on the staff of the Alberta Government Telephone at Crossfield, underwent a tonsillectomy in the Didsbury hospital recently.

## Lady Golfers Receive Prizes At Final Meet Of Season

### STUDENTS' UNION ELECTS OFFICERS

Following are the results of recent elections to the Students' Union of Didsbury High School:

President, Gordon Robertson; Vice-president, Beverly Wiggins; social convener, Pat Halliday; secretary-treasurer, will be appointed later by the newly-elected executive and the school staff.

## Butter Price Jumps Two Cents

The Alberta dairy branch reported that prices of butterfat and butter went up two cents Monday.

The new prices: Buttermilk: Special grade, 63 cents a pound; first grade 61; second grade, 49, and off grade 44. Creamery butter: First grade, 63 cents a pound; second grade, 60; third grade, 57.

## CALGARY FARMER KILLED; CAUGHT IN HAY PRESS

Robert Barroll of Calgary died in Calgary General Hospital Monday night about four and one-half hours after he was released from a hay press that mangled his arm in an accident on a farm near Crossfield.

It was believed that the accident occurred at least four hours before Barroll's plight was discovered and that he remained caught in the hay press through the afternoon, his arm badly smashed and bleeding.

Starr's Ambulance was called to the farm about 5 p.m. and they rushed the victim to hospital where he succumbed to his injuries at 9:45 p.m.

## CBC Recommends TV For Alberta

The CBC board of governors Monday recommended licensing of private television stations for Calgary and Edmonton.

Present prospects are for the project to be completed in 12 to 18 months, at which time TV will be channelled from the two Alberta cities.

## FAVORS WHEAT PACT

Beverly Baxter, Conservative member of the British House of Commons, says that he thinks Canada and the United Kingdom should negotiate another long-term wheat agreement. The advantage of a long-term contract is that it gives some degree of stability to the producer. He agreed that any bulk contract must be flexible enough to make it workable but designed to take the shock of the rises and falls in price of a primary product.

## WELL KNOWN HERE, HENRY PIFIELD LAID TO REST

Henry O. Pifield, highway victim of Keville and well known in the Didsbury and Oids districts was laid to rest at Keville after succumbing to injuries received in the accident. Funeral services were from Keville church with Rev. O. Larsen officiating. District Canadian Legion read the graveside services. Burial was in Keville cemetery.

Born at Oids, Mr. Pifield had farmed at Keville for a number of years. He was a veteran of World War I.

Surviving are his wife, Vera, and six children; his stepfather and mother, Mr. and Mrs. Ebbeson.

A birthday party honoring Stanley Stewart and Wayne Stanton on their first anniversary was held at the home of their grandparents, Mr. and Mrs. O. Clarke Sr. on Thursday evening, where many relatives and friends gathered to celebrate the occasion. Among these were Mr. and Mrs. George Clarke Jr. and Carol and Mr. Gerald Stanton.

Mr. J. J. de Boer, of Comjurg, Friesland, Holland, who is a breeder of purebred Holsteins and very much interested in the dairy industry, spent Wednesday with Mr. Tom Morris, president of the Alberta Dairyfarmers' Association, to learn conditions of dairying in Alberta. He left by plane for home on Thursday.

Activities of the Ladies' Golf Club came to a close Friday evening last when 20 members gathered at the home of Mrs. Bert Prevost. Games and songs were arranged by the entertainment committee.

Decorations in the form of golf clubs and a miniature clubhouse added to the atmosphere of the gathering.

The president, Mrs. Geo. Thring, presented the prizes for the 1953 season, winners being: Club championship, Mrs. C. McNeill; consolation, Mrs. George Thring.

Ringer competition, Mrs. Sam Devine. Mixed two-ball foursome — Mrs. O. Banta and Mr. Fred Evans.

Putting competition, Mrs. Joe Freeman. Tombstone competition, Mrs. W. Payne.

Medal play (nine holes), Mrs. A. Allen; consolation, Mrs. B. Dawkins.

Hidden hole competitions, Mrs. Fay Nicholl, Mrs. R. McKenzie and Mrs. S. Devine.

Lucky draw, Mrs. R. McKenzie. At the close of the evening Mrs. W. McFarquhar assisted Mrs. Prevost in serving refreshments.

## Red Shield Appeal Now Under Way

John Ruskin had a simple piece of stone called "Today". It was a constant reminder to the great essayist that whatever he past may have held, the present was of vital importance.

Starr's Ambulance was called to the farm about 5 p.m. and they rushed the victim to hospital where he succumbed to his injuries at 9:45 p.m.

## Red Shield Appeal

"Today" might well be one of the mottoes emblazoned on the banners of the Salvation Army; for although its workers live for the future, they make the most in service out of every passing day. It is well known that this military body of men and women "work for the night is coming", but they do so with the realization that the golden moments of today, if lost or misused, are gone forever. Moreover, they have a saying that the future cannot be improved unless the present is constructively disturbed.

The urgency of the present lies heavily upon all whose efforts affect other lives. The Army's welfare workers take their self-imposed responsibilities seriously. These responsibilities include eight highly efficient institutes in Alberta, serving every district in the province from baby-hood to old age.

With the launching of the 1953 Red Shield Appeal, the Salvation Army asks supporters to assist present labors which cannot go on without funds. In helping The Army today, Canadians are helping their country's future. Human need cannot wait. The Salvation Army knows that Let us help them, and do it today!

Mrs. R. A. Stewart and son Stanley of Watrous, are visiting for a few days at the home of her parents, Mr. and Mrs. George Clarke Sr.

Mercury beauty  
PLUS all-new power features!\*

Road Test the beautiful Mercury. All-new power features take the tires off the road, work out of driving position. As you step on the starter, a thrifty-proven V-8 engine eagerly springs to life, so smooth, so whisper quiet. On the road, livelier performance, easier handling, smoother riding and safer stopping will win your admiration, too!

Mercury POWER STEERING\* at your fingertips makes handling easier—does three quarters of the work. Mercury POWER BRAKES\* give smoother, faster stops with half the effort. Mercury's 4-WAY POWER SEAT\*

adjusts at a touch—and you're driver-fitted to the most comfortable driving position.

If you haven't already enjoyed a Mercury Road Test, see your Mercury dealer. Find out why others say, "The new, beautiful Mercury is the greatest yet—so completely powered."

**3-WAY CHOICE IN TRANSMISSIONS:** Merc-O-Matic Drive, greatest of all automatic transmissions; or thrifty Touch-O-Matic Overdrive (both optional on all models); or Silent-Ease Synchronized Standard Transmission.

\*Optional at extra cost.

MERCURY V-8  
as always!

MERCURY'S great new POWER FEATURES bring new driving pleasure and safety

Mercury POWER STEERING now available on all models keeps the vital feel-of-the-road—you know you're in full command of the car. When more than fingertip pressure is needed, hydraulic "muscles" take over, make steering 3 times easier. Lets you park in the tight spots with ease.

All-new optional POWER BRAKES require little more than accelerator pressure. The weight of your foot holds car on a hill. Straight-line stopping is up to 30% easier—faster, too, because lower, shorter pedal permits quick changing from gas pedal to brake—cuts reaction time.

Mercury POWER SEAT, now optional on all models. It adjusts four ways to provide your "just right" position. Simply press a button to move seat up or down, forward or back for the position from which you can see the best and drive the easiest with most relaxation.

There's no clutch—no gear shifting—Merc-O-Matic is fully automatic. To go, set lever and step on gas. It gives instant, smooth power response. There's automatic downshift for hill climbing. There's positive, safe control on curves. Merc-O-Matic Drive is available on all models.

### Golf Days

(Tune: "School Days")

Golf days, golf days, good old Didsbury golf days.  
Drivin' and puttin' from tee to green  
The craziest game you've ever seen.  
But we've all had a lot of fun.  
We're sorry as heck that the season's done.  
We'll be back next year on our hole in one;  
Oh, how we love to play golf.

Golf days, golf days, good old Didsbury golf days.  
You should just see our wee Jeannie Devine,  
(Oh how I wish that her golf score were mine).  
Oh, one hole she'll have a mighty four.  
But the very next hole she won't count the score.  
We hope she'll be back in the year fifty-four;  
Oh, how we love to play golf.

Golf days, golf days, good old Didsbury golf days.  
Come out and see how our Nancy can putt.  
Boy, but that gal is in one awful rut;  
She sinks her putts so far away.  
Saw it myself one cold, windy day.  
To play her for money, it just doesn't pay;  
Oh, how we love to play golf.

Golf days, golf days, good old Didsbury golf days.  
Hazel and Mable and Dorothee  
Drove fifty yards to a certain fir tree.  
But when the balls could not be found,  
Oh how those gals did pound the ground.  
They spoke not a word for the rest of the round;  
Oh, how we love to play golf.

Golf days, golf days, good old Didsbury golf days.  
To end the season some silly toop.  
A treasure-huntin' she sent the troupe;  
All over town the gals did go.  
Down a dark alley, five all in a row,  
When someone caught Bea a-bendin' low;  
Oh, how we love to play golf.

### THERE'S A LIMIT

A travelling salesman, who tow-  
ered six feet seven inches tall,  
stopped in a small village hotel one  
evening and approached the desk  
clerk.

"Is this a hotel?" smiled the  
traveler.

The clerk, having deposited in a  
convenient corner of his mouth the  
ample quid of chewing tobacco he  
was munching, leisurely replied:  
"Yep."

"Do you serve food?" asked the  
salesman.

After masticating the tobacco  
again for a few moments and sur-  
veying the questioner, the old  
fellow replied laconically:

"Yep, but we ain't filling no  
sios."

About 64 per cent of the expendi-  
tures of Italians goes for food. By  
way of comparison only 25 per cent  
spent by Canadians is for food.

### Pheasant Shooting Rules Announced

Following is a circular letter per-  
taining to pheasant shooting which  
has just been issued by the Pro-  
vincial Fish and Game Commission-  
er, E. S. Huettner:

"For a number of years the policy  
of the department in connection  
with hen pheasants has tended to-  
wards education rather than pros-  
ecution. Hunters have been al-  
lowed to bring in any hen pheasant  
which they may have accidentally  
shot and deliver it to the nearest  
officers. Our experience with this  
policy has shown that a percentage  
of the hunters are taking advan-  
tage of keeping their hen pheas-  
ants separate from other birds and,  
if they meet an officer, they are  
turning them in, or otherwise, they  
take them home.

This fall, for the first time in a  
number of years, it has been de-  
cided to allow pheasant shooting  
before ten o'clock in the morning,  
conforming with the one-half hour  
before sunrise regulation on other  
birds. The reason for this change  
was to cut down on the number of  
cocks in order to have our birds in  
the proper sex ratio next spring.  
The emphasis therefore is on cock  
birds only.

It has been decided that hunters  
who take hen pheasants during this  
fall season will be subject to pros-  
ecution. The regulation forbidding  
the shooting of hen pheasants will  
be enforced rigidly."

### WHEAT BOARD PAYMENTS

Within the next few months the  
Canadian Wheat Board will make  
payments to prairie grain produc-  
ers amounting to \$100 million, ac-  
cording to Rt. Hon. C. D. Howe.  
About \$84 million of this amount  
will be an interim payment on the  
533 million bushels of wheat de-  
livered in the 1952-53 crop year.  
The payment will be 12 cents a  
bushel. Since there was a large  
carryover of last year's crop on July  
31, it is not expected that the final  
payment on wheat deliveries will be  
made until early in 1954.

The 1952-53 oat and barley crops  
are being cleaned up but the final  
payments per bushel have not been  
announced.

Wheat cheques will go out Oct.  
1, followed by oats and barley.

### Agricultural SERVICE BOARD NOTES

W. K. Snyder,  
Field Supervisor

**Beware of Stinkweed:** Stinkweed  
is the "spoiler" of milk and meat.  
Stubble fields and fall rye fields  
are providing a large amount  
of good pasture again this fall as a  
result of late rains and second  
growth. There is danger of tainted  
milk and cream due to weeds if the  
cows are consuming green plants  
of stinkweed or other strong flav-  
ored weeds. Cows should be re-  
moved from the field at least two  
hours before milking.

Weed seeds and screenings should  
be removed from the fields used for  
pasture before livestock are allow-  
ed in the field. Meat can also be  
tainted from stinkweed. Some  
time ago I had dinner with some  
friends on a farm. They were  
complaining about the strong taste  
of stinkweed in the meat of a young  
beef which they had butchered and  
put in the locker last fall. In fact  
they said that it was so unpleasant  
that they could hardly use the  
meat.

Don't make the same mistake.  
If you intend to butcher a beef and  
it has been pasturing on stinkweed-  
infested pasture, make sure that it  
is removed and kept from that  
pasture for at least three to four  
weeks. It takes that long for the  
taint to completely disappear from  
the meat. By the same token,  
cattle going to market for slaughter  
should be treated similarly. If you  
don't like stinkweed taint, be very  
sure that no one else does either.

## INSTALL AN IRON FIREMAN PROPANE BURNER

SAVE hundreds of dollars  
on new equipment

SAVE fuel for years to come

You needn't throw away a good furnace in order to have efficient  
propane heating. The Iron Fireman Radiant propane burner was  
designed especially for use in coal fired furnaces and boilers  
without sacrificing efficiency and fuel economy. The radiant,  
sealed hearth, with light weight refractory combustion chamber,  
become radiantly incandescent like a gas mantle. Heat release  
is the same as from a glowing coal bed for which your furnace  
was designed, making this the most economical propane burner you  
can install. There are thousands of enthusiastic owners in all  
propane burning areas of Canada.

This fine burner will give you the  
dependability and fuel savings for  
which Iron Fireman heating equip-  
ment is famous.

## Notes From D.A.

By Hugh McPhail

**Producing Quality Honey:** Alberta is particularly favored for honey producing flora. All the clovers, alfalfa, fireweed and other wild flowers produce a high grade honey of delicate flavor.

The nectar gathered from flowers is this and will not keep unless ripened by the bees. In wet years, states W. O. Le Maistre, provincial apiculturist, Alberta Department of Agriculture, the bees experience difficulty in doing this adequately. Warm air currents are fanned over the unripe honey; when these air currents are of dry air the honey is quickly ripened, but when there is high humidity this process takes much longer.

Beekeepers should delay extracting the honey until the water content has been reduced below 17.8 per cent. All honey with less than this amount of moisture is grade one and will keep well. Where the moisture content seems higher the honey does not keep so well.

The Agricultural Service Board, as instructed by the council of M.D. No. 49, arranged for canvassers to have farmers sign a petition to have all heifer calves vaccinated against Bangs. Many of these petitions have now been turned in and the great majority are 100 per cent in favor of compulsory vaccination. This is the first step in the establishment of a Bangs restricted area. It is hoped that the other petitions will be turned in by the end of September so that vaccinations can start soon.

## BAN STRIKES?

No one wants any kind of board to start setting wages and prices where the free market can do the job, or where a strike does not tie up a whole community or half the country's economic life. But, declares The Financial Post, if it is worth protecting the public by setting the price of public utilities services like freight, power and telephone rates, surely it is just as important to guarantee that these essential services aren't going to be cut off everywhere there's a wage squabble or a labor boss wants to hold a gun at somebody's head.

## TEAMWORK

The world is full of Problems. There's much to cause distress. We are all bowed beneath the cares That daily round us press; There's only one solution. 'Tis simply stated thus: "A little less of you or me. A little more of us."

The rule of each one for himself. Most foolish is to follow. It brings no savor to the game. Its victories are hollow. But the other plan has never failed To bring satisfaction, plus: "A little less of you or me. A little more of us."

A flake of snow is very small. 'Tis lost to sight quite quickly. But many flakes combined, will fill The roads and pathways thickly. United we can face the fight. Without distress or fuss: "A little less of you or me. A little more of us." — William T. Card

## BIGGER TAGS

Canadians will be paying 10% more for their suits this fall, according to a reliable source. Labor, the British woollens picture and the healthier pound sterling have Canadian manufacturers considering solace in higher price tags.

Solar stove

In India, scientists have worked out a way to cook food by sun-power. A polished aluminum bowl suspended above a cooking pot directs the sun's rays to a mirror, which reflects the heat to the bottom of the pot. It sounds a bit complicated to us — but the fact is that the solar cooker turns out a meal as fast as a 300-watt electric stove. It's just one more indication that food and aluminum go together — in containers, utensils, foil and in the equipment used by the dairying and food processing industries. Aluminum Company of Canada, Ltd. (Alcan)

## Through The Study Window

By REV. C. C. ARMSTRONG

The work of the United Church of Canada is organized in certain departments. One of these is Evangelism and Social Service, and these two aspects of Christian service are deliberately linked together. The church believes that it is the privilege and responsibility of its people to be both evangelical and socially redemptive. To be less than this is to depart from the standards and practices of the Christian churches which entered into the fellowship of the union.

First United Church in Vancouver does both evangelistic and social service work. It is here that the Overseas Relief Committee of the church has established a clothing depot for clothing to be shipped to Korea and other eastern centres. In Korea there is need for men's, women's and children's summer and winter clothing, and also for bedding. Shoes are also useful, but only if in good repair. Goods collected locally can be forwarded to Vancouver and shipped from there. Packaging and sorting will be done by Welfare Industries, an organized group in First United.

Rev. R. A. Redman, the minister, reports "Welfare Industries has been a most valuable adjunct to our work. Through the kindness of in-laws and friends throughout the city and elsewhere, clothing, furniture and other useful articles have been made available to us. This church is exceedingly fortunate in its superintendent of Welfare Industries, Mr. Harry Murphy. Mr. Murphy is spending the remaining years of his life after retirement from active business life, in the service of the church. He is a devoted layman and gives many, many hours serving the church in other capacities."

"Skidroad" is almost on our doorstep. Derelicts of society who live in this area of our city constantly haunt our doors. The alcoholic, the drug addict, the "canned-heat artist" find their way with uncertain steps to the office, seeking some compassionate consideration of their physical needs. We of the church staff are conscious that something more thorough-going than we are able to do needs to be undertaken. We can "pluck brands from the burning" in the name of Jesus Christ and by His help."

This church, this minister, to the needs of those near at hand and instrumental in bringing help to those overseas.

Charity begins at home, but ought not to stop there. As individuals we are to be responsive to the call of the needy within our community and in those countries over the horizon where the suffering make their claim upon us in the name of Jesus, who came not to be ministered unto but to minister and to give His life a ransom for many.

## DOUBTFUL ALLIANCE

The Canadian Congress of Labor has reaffirmed its support of the C.C.F. political party. What either organization hopes to gain from continuing such an alliance is difficult to see.

From the actual record of the last 20 years there is no indication that the rank and file of labor is prepared to act like a bunch of sheep and vote the way its leaders dictate. But there is plenty of indication that the union labor label has hurt C.C.F. chances with the rest of the electorate.

## WEDDINGS

**McMULLEN — KIRBY**  
In the Cathedral Church of the Redeemer, Calgary, at 11 a.m. on Sept. 5 Marion Eileen Hazel Kirby, daughter of Mr. and Mrs. Joseph A. Kirby of Calgary, was given in marriage by her father, to Mr. Colin Archibald McMullen, son of Mr. and Mrs. R. E. McMullen of Elkton.

Rev. E. Phillips officiated, assisted by Rev. Fred Sykes. The wedding music was played by Mr. Weston. The bride's floor-length gown was styled with a fitted lace bodice, featuring lily point sleeves and Peter Pan collar. Her bouffant skirt was of nylon marquisette over white sloop satin and her fingertip veil of French illusion misted from a coronet headdress, and her bouquet was of pink and white carnations.

Mrs. Ronald Hamilton was matron of honor, gowned in a bolero frock of white net over white taffeta. She wore a head bandeau of pink

flowers, matching the carnations in her bouquet.

The groom was attended by his twin brother, Albert E. McMullen of Red Deer.

The ushers were Gerald Kirby of Edmonton, only brother of the bride and Donald McMullen of Didsbury, brother of the groom.

The wedding reception was in Paget Hall, where pink and white flowers were used for decorations and at the bride's table. The wedding cake was imbedded in tulle, surrounded by white tapers in silver holders.

Between 50 and 60 guests were present at the reception. H. E. Wilson proposed the bridal toast. A telegram was received from Vancouver and was read by Mr. Albert McMullen.

For a short wedding trip to Lake Louise the bride wore a royal blue suit with winter white hat and black accessories. Her corsage was pink and white carnations. After spending a few days with relatives, Mr. and Mrs. McMullen left for Vancouver where they will reside while the groom is finishing his studies at U.B.C. and the Anglican Theological College.

### OUR QUEEN

We have watched her grow in beauty  
And in sweetness, day by day,  
We have watched in loyal affection  
From her country far away.

And glancing back, in fancy,  
We think we see her yet,  
Our happy little princess —  
Our "Princess Lilibet."

As she rides along in coach of state  
Mid pomp and splendor grand,  
Our hearts will send a fervent  
prayer  
Far over sea and land.

But the years move on so swiftly,  
There's a path of duty now,  
And she'll often feel the pressure  
Of a crown upon her brow.

May God be with her always  
And keep her life serene,  
And give her strength and guidance.  
Oh, Mother, Wife and Queen.

### CHRISTIAN SCIENCE

At Christian Science churches on Sunday the Lesson-Sermon is entitled "Unreality". It includes the challenging words of Jesus: (Matt. 6:34) "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mam-mo-n." And this correlative statement from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "It is impossible to work from two standpoints. If we attempt it we shall presently 'hold to one, and despise the other.'" (182: 13 - 14).

### QUIET TOO!

When a cow had been killed by a train, it fell to the lot of the section foreman to make out a report of the accident on a form the company supplied. He checked all the facts and filled in all the lines until he came to one headed: "Disposition of carcass."

The foreman scratched his head for a moment, then wrote: "Kind and gentle."

The Master Farm Family Award is recognised by an award of \$1000.00, an engraved plaque and a name plate for the farm entrance. The purpose of the Master Farm program is to find and honour those who have achieved notable progress in farming, home-making and citizenship and who, by their example, are encouraging interest in farming as a way of life. The Department of Agriculture is indeed proud and gratified with the high standard of attainment among the farm citizens of Alberta as revealed by the Master Farm Family Program.

## DISTRICT NEWS

### Legion To Sponsor Polio Bingo

The Canadian Legion, B.E.S.L., has established a fund, all proceeds of which will go to the care and prevention of polio. In this district and zone the Legion have decided to raise their share of the money by means of bingo games in the different centres.

Olds will "kick-off" on this very worthwhile cause with a bingo night on Saturday, October 3rd. No dates have been set for other branches but it is expected that all will be announcing their plans shortly. An advance sale of tickets is planned and we have no doubt the project will go over the top in all areas.

The announcement that the Canadian Legion have taken up the matter of organization for an Alberta Chapter of Canadian Foundation for Polio is welcome, and one that will receive much support.

Comrade zone Commander, C. A. Grogan, in information released last week, said that zone 2, district 3, comprising the branches of Bowden, Olds, Didsbury, Carstairs, Crossfield and Sundre, intend to hold a series of bingos sometime in early October to raise funds for their quota of the campaign.

The initiative was taken and the new organization has been set up by the council of the Alberta Command of the Canadian Legion. A board of trustees has been created under chairmanship of Col. Ted Brown, president of the Legion's Alberta Command.

Alberta provides treatment for all of its own polio victims but the new organization has been assured by Dr. A. Somerville, deputy minister of health, that there is still a great deal of useful work which can be done in this field.

With funds received from the annual "March of Dimes" campaign, which will henceforth be conducted by the Alberta organization, iron lungs can be provided, patients can be transported to special treatment centres when necessary and financial and other kinds of help can be tendered to polio sufferers who may not qualify because of residence requirements, for the assistance and treatment already being given by the province.

The Alberta chapter, having been founded by the Canadian Legion, will have the widespread and valuable assistance of the members of the Legion's 238 branches throughout the province.

The Legion merits great commendation for voluntarily undertaking this worthy task. It is taken for granted that the Legion has acted in a spirit of unselfish service, and we do not believe it will find public support lacking.

### FOR SALE BY TENDER

Tenders will be received at the Office of the Secretary-Treasurer of the Olds School Division No. 31, until 5:00 p.m. on the date of Monday, October 12, 1953, for the sale of the following site and buildings of the York School District, No. 603.

1. The York School Site, located on the N.E. quarter of Section 11-30-29-W4M, consisting of three acres more or less.
2. The York School building, located on the above site.
3. The York School toilets, located on the above site.
4. Buildings to be moved from the present site. Separate tenders to be submitted on each item. Highest or any tender not necessarily accepted.

A deposit of ten per cent (10%) of tender price to accompany tender.

## WEDDINGS

### ROULEAU — DAVIS

On Thursday, September 24, at 4:15 o'clock, the Mount Rundle United Church in Banff, in all its autumn beauty, was the setting for the marriage of Miss Bernice Davis, daughter of Mr. and Mrs. R. Davis, of Biggar, Sask., to Mr. David Rouleau, son of Mr. and Mrs. E. J. Rouleau of Pincher Creek.

Rev. D. Whyte-Smith of Calgary performed the ceremony.

The bride, given in marriage by her father, wore a grey flecked suit with brown accessories and a corsage of American Beauty roses and white carnations.

Miss Winona Rouleau of Calgary, sister of the groom, was the bride's only attendant. She wore a beige tailored suit with brown accessories and a corsage of yellow carnations and roses.

Mr. Morris Wardrop of Didsbury was best man, and Mrs. Burnham of Banff played the wedding music.

For her daughter's wedding Mrs. Davis chose a blue dress with black accessories and her corsage was red sweetheart roses and gardenia.

The groom's mother wore grey with white accessories and a corsage of pink carnations and gardenia.

A wedding supper was held in the Banff Cafe following the ceremony.

The bride and groom are honeymooning in Banff, Drumheller, Biggar and in the States before returning to reside in Pincher Creek.

**BANCROFT BUTTERCUPS  
HOLD REGULAR MEETING**

Regular meeting of the Bancroft Buttercups was held at Bancroft school on Sept. 19, opening with the singing of "O Canada" and repeating the club creed.

Roll call was answered by all three groups and the minutes of the last meeting were read and adopted.

There is to be a Halloween party on October 31. A raffle was held and Audrey Swanson was the lucky winner.

Nine visitors were present at the meeting and one new member was welcomed.

**LABOR LAWLESSNESS  
HITS THE FARMER**

If Canadian farm organizations are alive to the true interests of the farmers they will make a vigorous protest and a determined fight against the practice of American labor unions sending their emissaries into Canada to stir up lawlessness among our workers and bring our industries under American domination.

Farmers know that they are the chief sufferers in many of these labor disputes. This is not accidental. It is deliberately planned by the union bosses, for they know that the more they can make the farmers suffer, and the more food that can be spoiled by work stoppage, the quicker they can force the government to come to their assistance in bringing the employers to heel.

It is intolerable that men, who are not citizens of this country, should be allowed to come in from abroad and stir up lawlessness among our citizens.

If international unions are to be tolerated within our borders, it must be on condition that they respect the laws of our country and the rights of our citizens.

**TEAMWORK**

Returning home at night from the office the father asked his children about their behavior that day.

"Oh, we've been good," said little Nancy. "I washed the dishes."

"And I wiped them," added Peter.

"And what about you, Dickey?" the father asked, turning to the smallest member of the family.

"I picked up the pieces," he replied cheerfully.

**QUESTIONS

**OCTOBER 4th to 10th  
FIRE PREVENTION WEEK**

Now is the time to start a good habit — fire prevention. Always be on the watch for fire hazards. Your Fire Department has big job to do in its Fire Inspection Service and training and equipping firemen for adequate fire control.

But you must help. Fire feeds on careless deeds so help eliminate the common causes of fire.

**PLEASE:**  
Do not leave matches within the reach of small children  
Do not smoke in bed or dispose of cigarettes carelessly  
Do not put ashes in a wooden or paper container  
Do not bring gasoline or kerosene into the house  
Do not take chances with faulty electric wiring, faulty chimneys and stove pipes

**REMEMBER:**  
A careful person seldom has a fire; a clean, orderly place seldom burns.

Hon. C. E. Gerhart  
Prov. Secretary

A. E. Bridgen  
Fire Commissioner

**Little Items of Local Interest**

Mr. and Mrs. Sam Moore and family of North Battleford, visited with the former's sisters, Mrs. G. Hadley and Mrs. Wm. Cowan and family for a few weeks.

Mr. J. A. Shannon spent the weekend with his family here. His construction crew is at present working west of Edmonton.

Miss Grace Thompson, en route to the University of British Columbia, spent a few days with her mother, Mrs. C. A. Thompson. Miss J. Thompson left Thursday for Saskatchewan University, Saskatoon.

Worldwide Communion will be observed Sunday in Knox United Church, Didsbury. New members will be received and the Hallman electric organ will be used in the service.

Mr. and Mrs. John Morris of Toronto, who are honeymooning, are guests this week with the uncle and aunt. Mr. and Mrs. Tom Morris.

Mrs. Boles reports she enjoyed her two weeks' stay in the General hospital in Calgary and is home to her many friends who sent cards, gifts, letters and many tokens of friendship.

Mr. George Goossen left Friday for the H.M.C.S. Naval Base at Halifax.

Mr. and Mrs. E. J. Gilbertson of Edmonton were weekend visitors with the latter's parents, Mr. and Mrs. G. Burke.

Boy Scout apple day will be held this year on Saturday, October 17. The event will be sponsored by the 1st and 2nd Didsbury Troops. As this is the only means the Scouts have of raising funds your contribution will be greatly appreciated.

Phil McNeil, who lives four miles east of town, brought some of his prize potato crop into The Pioneer office last week. The prize ones weighed 2 1/2, 2 1/4 lbs. They are now on display in the office of Reiber Brothers.

Mr. Harry Gabel attended the Calgary Stampeder-New York Rangers hockey game in Calgary last week and reports a bang-up contest.

The regular meeting of the afternoon group of Knox United W.A. will be held at the home of Mrs. Russell Ollie on Thursday, Oct. 1 at 2:45 p.m. Members meet at the church at 2:30 p.m.

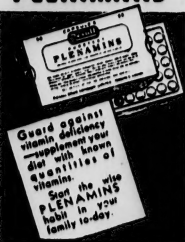

Mr. Ed Buhr and Mr. S. H. Buhr of High River left Thursday to attend the funeral of their brother-in-law at Winnipeg.

Due to the fact that winter is near and fires will be in full blast, it is suggested that chimneys and pipes be checked. Fire prevention week is Oct. 4 to 10 and posters are on display to acquaint you with the facts.

**CARD OF THANKS**

We wish to thank the fire brigade for prompt and efficient service in putting out our recent fire. Thanks also to those who saved some of our furniture and to Mr. Walter Scheidt who moved our belongings to our present location. We would also like to thank those who will help to build up our little home.
